Welcome!

**A Beginner's Guide to
Pinterest**

**Our session will begin at
1pm AEST .**

**While you wait, test your
audio.**

**Go to the top left hand menu
Tools Audio Audio Set up
Wizard.**

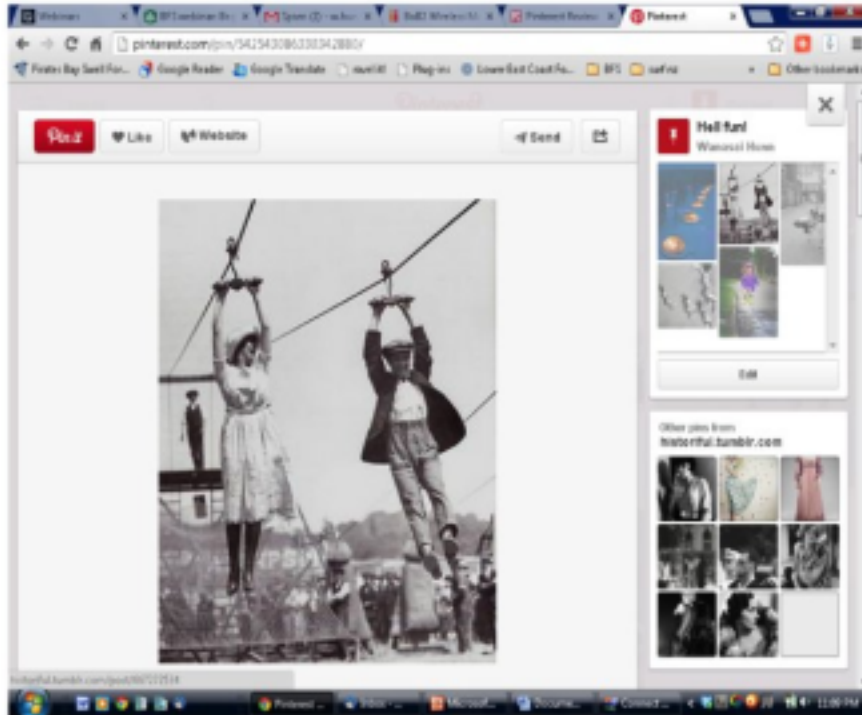

Today we will be exploring

Today we will be exploring

- What Pinterest is ...
- Why it is so different ...
- Who uses it, and for what ...
- The basics of how it works ...
- Privacy, copyright and Intellectual property issues (Penny)
- Web tour with Penny
- Discussion on why it might appeal to Senior Australians

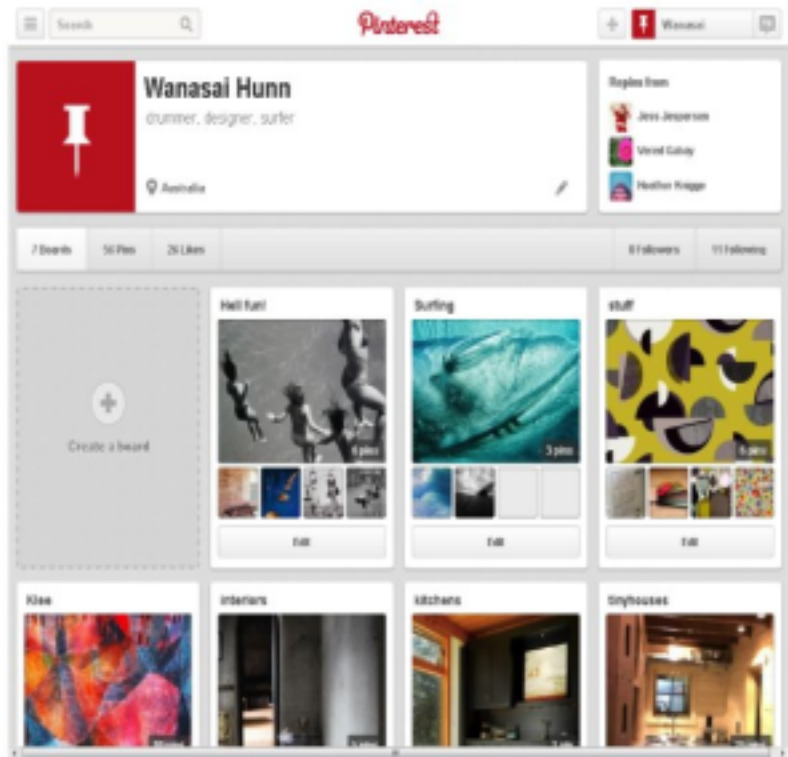

And the results are stunning ??

And the results are stunning ...

What is Pinterest?

What is Pinterest?

Why is it so different?

Why is it so different?

Why is it so different?

Why is it so different?

Pinterest allows you to

explore and *discover*

content online
based on

your own particular interests.

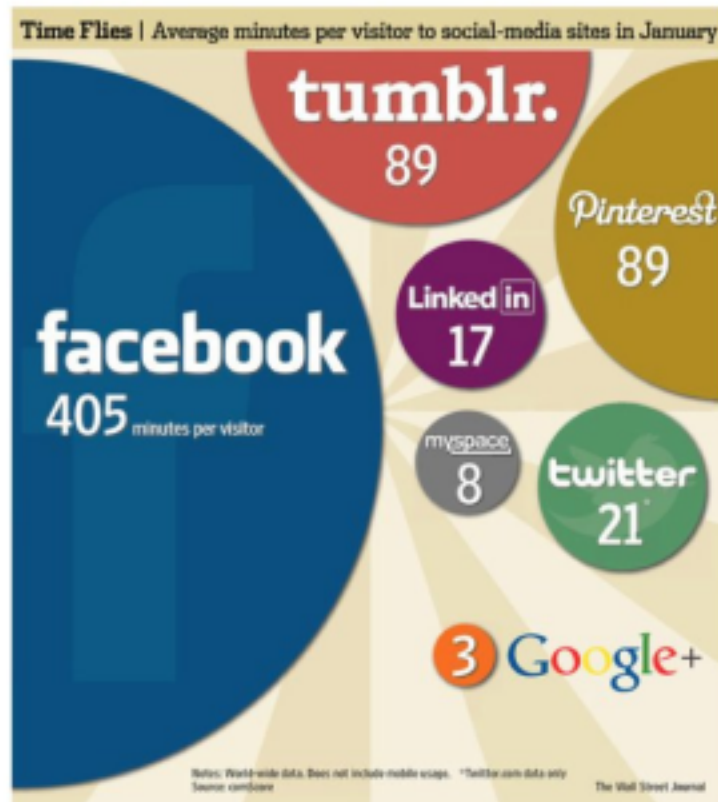

Who uses it, and for what?

Who uses it, and for what?

The basics of how it works

The basics of how it works

First, create your own account

First, create your own account

Next, create your profile

Next, create your profile

The screenshot shows a web form for creating a profile. It has a light gray background with a white form area. The form contains the following fields and elements:

- Name:** Two text input fields. The first contains "Catherine" and the second contains "Devlin".
- Username:** A text input field containing "http://pinterest.com/catherine0987".
- About You:** A large text area for a bio, currently empty.
- Location:** A text input field, currently empty.
- Website:** A text input field, currently empty, followed by a "Verify Website" button.
- Footer:** A line of text stating "Visit **Account Settings** to change your password, email address, and Facebook and Twitter settings." followed by "Cancel" and "Save Profile" buttons.

Write your suggestions below; if someone else has already posted your idea, put an appropriate symbol next to their suggestion ?

Write your suggestions below; if someone else has already posted your idea, put an appropriate symbol next to their suggestion 😊

Why use Pinterest?

Why use Pinterest?

- If you love visual images
- Its fun and so very easy
- Works just like a pinboard
- It's very intuitive

Pinterest has one downside ?? . it can be a huge time waster!

**Pinterest has one downside
it can be a huge time waster!**

Don' t say you weren't warned !!!
